Who are we?

Founded by two brothers (Karl and Tommy), Awarding Care is a brand new Domiciliary Care organisation based in Wednesbury, West Midlands. Both Directors have a wealth of personal and professional experience and are passionate of their motto “Your life, Your Care” ensuring that the specific and thoughts of the individual are taken care of. Their vision and determination is to deliver a person-centered, caring, responsive, safe and effective service that is both well led, affordable and encourages independence and recovery.

Why choose Awarding Care?

At Awarding Care, we believe that there really is no place like home and we want to enable people to remain in their own home where they are most comfortable for as long as possible.

We only employ Support Workers who have achieved or are working towards their Level 2 in Health & Social Care. In addition we continually monitor and provide extra training where required to keep skills and knowledge fully up to date. We also perform full DBS and reference checks on all our staff.
